Minutes of the Progressive Club.

Special Meeting

A Special Meeting of the Progressive Club of Stinson Beach as called for and held on Wednesday evening June 2nd, 1943 in the meeting hall in the Sea Beach Hotal.

The elected officers of the Club were ill and necessarily absent, and it was voted that the former President W. Sadler act as President for the evening, while Hilda M. Grunert, former Secretary act as Secretary, in order to conduct the meeting.

The meeting was called to order at 8.20 P.M.

The business brought before the special meeting was a resolution written by George Harlan, attorney and local property owner, who has voluntarily acted as the attorney for the Progressive Club and the community at the hearing before the Railroad Commission for a new bus service directly from San Francisco to Stinson Beach and Bolinas, which is being asked for by the Coast Lines Stages Inc. Greyhound Lines have opposed this proposed service on the grounds that it duplicates existing service between Sausalito and San Francisco.Now, when they see that they are fighting a losing battle they propose to apply for servicing this area themselves. The resolution asked by Mr. Harlan is written to state the fact that the Club is backing the new bus line, Coast Line Stages Inc., and opposing the application of the Greyhound Line.

A motion was made and seconded that the resolution be adopted . It was passed unanimounsly after considerable discussion; was signed and forwarded to Mr. Harlan.

A motion was made and seconded that Mrs. Grunert be appointed to serve as Secretary pro-tem for the evening, and be empowered to serve as witness on the stand at the Railroad Commission hearing on June 8,1943 in behalf of the Club, if Mr. Harlan so desired.

Meeting was adjourned at 9.40 P.M.

Respectfully,

Hilda M. Grunert
